Purpose of the Friends of the Library Group

The Friends of the Library group is a small dedicated group that supports the library through fundraising efforts. We meet periodically throughout the year. With the support of the library director and staff, we have set up special events, book sales, bake sales, and raffles. We are always looking for new members. Just by joining you are helping your library. If you are interested in volunteering in any way, large or small, please let us know and we'll contact you with ways to get involved.
